

ESTABLISHED 1921

BACKGROUND The Portland Clinic is Oregon's oldest, private, multispecialty medical group. With sophisticated medical technology, dynamic medical specialists, and modern, spacious facilities, a personal approach to our patients' good health remains The Portland Clinic's primary focus. The Portland Clinic sees nearly 80,000 families, with seven locations serving communities in Portland, Beaverton, Aloha, Lake Oswego, Tigard, Tualatin, Sherwood and Wilsonville.

MEDICAL SPECIALTIES The Portland Clinic has more than 100 physicians and clinicians working in specialties including Anesthesiology and Pain Management, Audiology, Behavioral Health, Cardiology, Dermatology, Diabetes Services, Family Medicine, Foot & Ankle, Gastroenterology, Gynecology, Internal Medicine, Manual Medicine and Osteopathy, Medical Nutrition Therapy, Nephrology, Neurology, Ophthalmology, Orthopedics, Otolaryngology (ENT), Pediatrics, Physical Therapy, Primary Care, Radiology, Rheumatology, Sleep Medicine, Sports Medicine, Urology and Urgent Care facilities.

MEDICAL SERVICES Laboratory and X-ray, Urgent Care, Day Surgery Center, Sleep Center, Special Diagnostics, Travel Clinic and Dietitian Services.

SPECIAL SERVICES The Tigard Medical Office also provides a wide range of medical services including CT and MRI services, Otolaryngology (ENT), Gastroenterology, General Surgery, Foot & Ankle, Physical Therapy, Orthopedics, Manual Medicine and Sports Medicine.

The Surgical Centers are in the Downtown Office and at the Alberty Surgical Center on the J. Michael Schwab Medical Campus, and are available for surgical treatments that do not require an overnight hospital stay. Patients can be seen on a walk-in basis, for urgent medical needs, at the Tigard Medical Office and the Downtown Office. Eye Care Services are offered at the Downtown Office and within the Beaverton Office and South Office.

PATIENT EDUCATION Ongoing patient education is continually offered at various locations. Check the website, www.theportlandclinic.com, for more information.
